Vol. 25 Scottsdale Police Department District 3 Station 20363 North Pima Rd. Scottsdale, AZ 85255 (480) 312-8000 September 2006

Neighborhood Watch and You

Sir Robert Peel (1788-1850), known as the Founder of Modern Policing, established The Metropolitan Police Act of 1829. The Metropolitan Police Act contained "Peel's Nine Principles" of policing. One of which we can attribute to the concept of Neighborhood Watch. The principle states the following: "Police, at all times, should maintain a relationship with the public that gives reality to the historic tradition that the police are the public and the public are the police; the police being only members of the public who are paid to give full-time attention to duties which are incumbent on every citizen in the interests of community welfare and existence."

I believe the "duties" of the public mentioned by Sir Robert Peel encompass the development of a partnership between the citizens and the police. Creating a cohesive body of neighbors addressing issues that concern the entire neighborhood. The empowerment of citizens to reduce crime in their neighborhoods through education and team work.

Unfortunately, police officers cannot be at any given location at any given time. Therefore, we depend on you, the public, to be the police department's additional set of eyes and ears to report crime and suspicious activity in our city. An excellent program exists for the public to become a partner in crime prevention, NEIGHBORHOOD WATCH.

WHAT IS NEIGHBORHOOD WATCH

Since 1972, when the National Sheriffs Association implemented the program, Neighborhood Watch has meant neighbors looking out for each other, working on neighborhood problems, and making themselves safer. Members learn how to work with law enforcement and organize events such as block parties, cleanups, and social

MESSAGE FROM COMMANDER BILL WILTON

The use of all-terrain and off-road vehicles in the northern area of the City is high and will increase again as the weather becomes more conducive to riding. Please remember the use of these vehicles is regulated by City and State laws which must be adhered to.

On Saturday, August 19th, Scottsdale Police Officers, the Arizona Trail Riders Association, Preserve Manager Claire Miller, and Preserve Stewards conducted an educational detail focused on the area northeast of Pima/Dynamite. The detail was very successful and will be followed by enforcement details in the near future.

We have the luxury of having some beautiful undeveloped desert that can be shared by a variety of different users. Maps and signs are available at all the entry points that show the various trails and the appropriate use and restrictions for each.

TRAFFIC ENFORCEMENT ZONES

7200 – 8000 E. Sweetwater

8000 – 8700 E. Thunderbird

Cactus to Sweetwater on Frank Lloyd Wright

8800 – 10800 E. Bell Road for truck violations

Princess Road from Hayden to Pima Road

Dynamite east of Pima Road

Commander Bill Wilton

Neighborhood Watch (continued)

events. The program provides information on crime trends and patterns in your neighborhood, enabling members of your community to identify and reduce criminal activity. Through communication, education, and partnerships citizens will instill a greater sense of community.

BENEFITS OF NEIGHBORHOOD WATCH

Throughout the country, neighborhoods with active Neighborhood Watch groups report fewer incidents of burglary and theft. Neighbors are trained in home security, crime reporting, property marking, and other program tools. Neighborhood Watch enhances communication with neighbors by creating phone trees, fliers, newsletters, and e-mail lists.

Neighborhood Watch is a wonderful way to get to know your neighbors and find people who share your interests. Knowing your neighbors also makes it easier to recognize strangers who may not have legitimate business in the area.

People like you are what make a Neighborhood Watch program successful. Your neighbor needs your help and you need your neighbor's help. The small steps you take now will pay big dividends in the future. Building a spirit of community helps keep all of you safer and more secure. That's what the Neighborhood Watch program is all about.

If you would like more information on Neighborhood Watch please contact Carrie Abts at cabts@scottsdaleaz.gov or (480)-312-2342.

If you have any questions about crime prevention contact Officer Jason Glenn at jglenn@scottsdaleaz.gov or (480) 312-8802.

School Resource Officers in District 3

The Scottsdale Police Department has police officers assigned to all the public high schools and middle schools in the City of Scottsdale. Officer Deb Shuhandler 480-484-4612
- Mountain Side Middle School 11256 N. 128th st.
Officer Frank Griffiths 480-484-5512
- Desert Mountain High School 12575 E. Via Linda
Officer Rob Katzaroff 480-484-7012

Back to School Traffic Safety

Summer is winding down and thousands of children are back in school. Parents, students, teachers, and residents will be traveling through school zones. Remember city streets that were posted 35 or 45 mph will be posted at 15 mph in school zones. There is no passing in school zones. A motorist approaching the crosswalk shall not proceed at a speed greater than 15 mph between the portable signs indicating "school in session" and "stop when children are in the crosswalk." Once you pass the crosswalk, you may proceed at the roadway's posted speed limit.

CALENDAR OF EVENTS

G.A.I.N Kick-Off Event

Thursday, September 7th 6:30-8:30 p.m.
Scottsdale Center for the Performing Arts
Party planners receive the necessary tools to plan successful G.A.I.N. neighborhood block parties.

G.A.I.N Night

Saturday, October 14th, 2006 Between 4:00-8:00 pm
In Your Neighborhood
GAIN night is an annual event designed to unite neighbors and communities to help create safer neighborhoods. Party planners, like you, host GAIN parties every year in their neighborhoods all over Scottsdale.

Contact Carrie Abts for registration forms at:
(480)312-2342 or cabts@Scottsdaleaz.gov
